

ROE	ROCE	OPM
20.6%	26.7%	12.5%
DEBT / EQUITY	REVENUE CAGR 5Y	P/E
0.0x	6.7%	58.4x

Pros

- Very high interest coverage ratio reflects negligible financial stress from debt servicing
- Return on equity improving for 3 consecutive years shows strengthening business quality
- Consistent dividend yield above 2% backed by positive free cash flow
- Growing asset base funded by internal accruals reflects self-sustaining growth

Cons

- No prescribed risk threshold fired; valuation assumptions and primary filings still require monitoring
