

Dr Reddys Laboratories Ltd

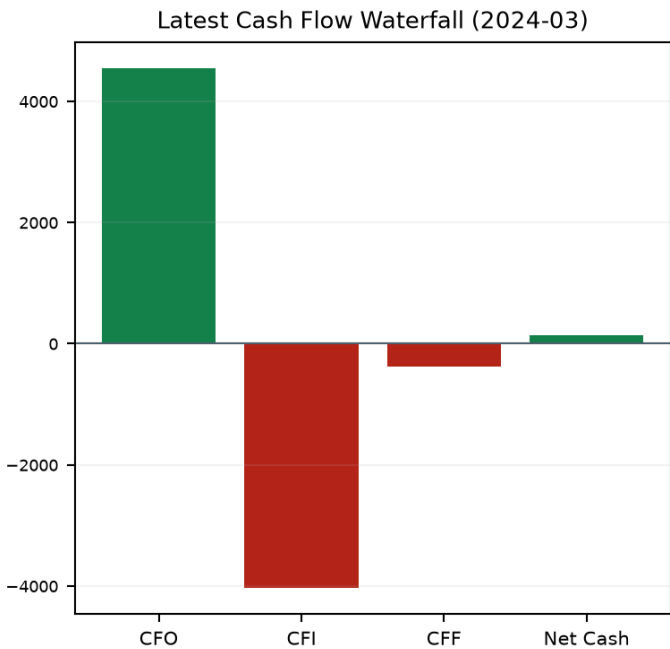

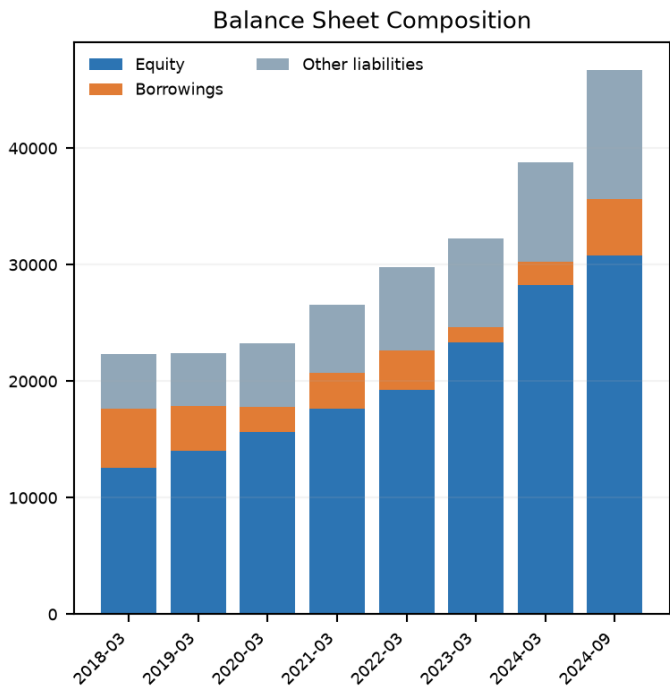

DRREDDY | Latest fiscal period 2024-03

55.5

HEALTH · Average

ROE	ROCE	OPM
19.7%	24.4%	28.3%
DEBT / EQUITY	REVENUE CAGR 5Y	P/E
0.1x	12.6%	11.7x

Pros

- Very high interest coverage ratio reflects negligible financial stress from debt servicing
- Return on equity improving for 3 consecutive years shows strengthening business quality
- Revenue growing slower than profits shows improving operating leverage and scale benefits
- Strong free cash flow generation over 5 years signals healthy business fundamentals

Cons

- No prescribed risk threshold fired; valuation assumptions and primary filings still require monitoring
